New Management of Skilled Nursing Center in Liberal

[Liberal, KS, April 17, 2015] –Vetter Health Services recently announced that it was in the process of transferring ownership of Wheatridge Park Care Center to Liberal SNF Op Co, LLC. The facility will be managed by Frontline Management of Lafayette, Colo. beginning May 1, 2015.

Based in Lafayette, Colorado, Frontline Management specializes in the full continuum of senior services including skilled nursing, assisted living, and independent living and currently manage facilities in the Mountain West region and in Southwest Kansas. “We are very excited to have an opportunity to work within the Liberal community,” stated Bob Jones, President of Frontline.

Frontline is focused on providing quality health care and exceptional customer service. Working with a national organization, Pinnacle Quality Insight, Frontline plans to work with the facility leadership team to gain patient and family member feedback to identify specific areas of opportunity. “I have been very impressed with the team of professionals at Wheatridge Park Care Center. They have worked diligently to provide quality care and services within this facility and have achieved exceptional results during their most recent state health inspection,” shared Bob.

The facility name will remain the same and the Wheatridge Park Care Center will continue to provide skilled nursing and rehabilitation, extended care, and respite/vacation accommodations. “The Rehabilitation to Home program is an area we would like to grow” stated Bob, “We want to partner with acute care providers and our professional peers to better meet the needs of the Liberal community.”

About Frontline Management

Based in Lafayette, Colorado, Frontline owns, operates and manages senior housing and senior care communities in the Mountain West region and Kansas. For more information about Frontline Management, visit www.frontlinemgmt.com.
